## DUNAMIS CHRISTIAN LEARNING CENTRE

Lot 937, Burns Street, Shelly Beach, 4265

### About Us

- Dunamis Christian Learning Centre is an initiative of the Shelly Beach Full Gospel Church. We aim to serve the Christian family with whom we partner to train and disciple learners in a biblical worldview for growth, excellence and influence.
- The Centre is a registered member of the Pestalozzi Trust, IT6377/1998. An organization which was established to protect the rights and freedoms of all families to educate their children according to their own religious and/ philosophical persuasions, pedagogical convictions and cultural traditions.
- Our staff is made up of inspired, caring and helpful educators and support staff.
- We cater for learners from Grade 0 to Grade 3. Our annual enrolment will not exceed 40 learners.

### Our vision

Our vision is based on Proverbs 22 verse 6 "Train up a child in the way he should go, and when he is old he will not depart from it"

- We believe in educating the "whole" child, giving them a head start in life which is relevant and appropriate in today's ever changing world.
- We set out to ensure that each learner grows in wisdom, in stature and in favour with God. We aim to equip learners with a Biblical world view in each of their subjects.
- We strive to give each learner the opportunity to develop his/her potential in a safe, loving and caring environment.
- We aim to build a learning centre characterized by **love, care and compassion**. The pursuit of excellence in education and the spirit of service both within our learning centre and the wider community will be our goal.

### What we offer

## **Grade 0 to Grade R for ages 5 to 6 years**

- The Pre-School offers a happy, nurturing Christian environment with loving, professional teachers.
- Our small groups help us to meet the individual needs of each learner.
- Each level operates on excellent and proven Bible based and age-appropriate curricula.
- The secure, stimulating environment, with consistent discipline and clear boundaries, ensures the safety and well-being of each child.

## **Grades 1 to 3**

- The learning centre offers a strong academic foundation which is aligned with the National Curriculum.
- Our eclectic approach to education is adapted to suit the requirements of each individual learner.
- The favorable teacher learner ratio caters for superior opportunities to impart the values and attitudes that undergird the school's mission statement.
